

The Idaho Geospatial Office is coordinating the acquisition of Imagery Framework data. In this ongoing, cost-sharing effort -- that could potentially involve all levels of government and all of Idaho's geospatial community -- it is important to ensure that this process best serves the needs of geospatial data users and decision-makers. For this reason, the Imagery Technical Working Group is requesting your input to perform a needs assessment. Please feel free to forward this survey to others having an interest in imagery acquisition. Efforts toward a coordinated response within an agency would be greatly appreciated.

Responses will be tallied and presented as quickly as possible. There will be a follow-up survey in order to gauge proposed levels of funding contributions.

Please take just a moment to complete the following survey and return it by **March 28th, 2008**:

by email: margie.wilkins@idwr.idaho.gov

by fax: 208-287-6700

by regular mail: IDWR (Attn: Margie Wilkins)
322 E. Front Street
Boise, ID 83720-0098

Instructions for returning survey by email:

copy and paste the contents below this line into a new message and email to: margie.wilkins@idwr.idaho.gov

NOTICE OF INTEREST
Please Return by March 28, 2008

Using the following lists, indicate which option would best meet the needs of your organization by ranking your top 3 selections for each of the ten categories where 1 = best option, 2 = second best option, and 3 = third best option. If your organization has no interest in a product, simply mark "not a need" with an X. If you have questions, contact Margie Wilkins at 208-287-4884 or margie.wilkins@idwr.idaho.gov
